“ We have known and engaged Firemint on a number of jobs over the years, and they have delivered on time, every time. We keep going back to them for their reliability, knowledge and experience that assists us to stay on the ‘front foot’ with our projects. Keep up the great work! ”

- Mat Hughes (Director - Complete Construction)

“ This is to confirm that I have worked with Firemint on numerous occasions. I would have no hesitation in recommending Firemint to anyone.

They have always been one of the most reliable subcontractors I have dealt with and have always delivered on time and to a high level of quality. ”

- Juan Ferandoes (Group Manager - Accent On Group)

“ We at Oceans Electrical use the team at Firemint for all our fire alarm and IQP requirements. Anything from small call outs or servicing to large scale installation they are always prompt and provide top service and workmanship that meets ours, and our customers high standards. A real point of difference is that they are able to assist us and clients with the design of the fire system layout, which is crucial to us. I would have no hesitation recommending Firemint. ”

- Chris Maxwell (Director - Oceans Electrical)
